Ending details:

The 3 mushrooms are put together the same way: Place some stuff in the center of the cap and join its edge with the stem by crocheting a round of single crochet. With white yarn and a needle, embroider some french knot (as spots) on the cap, and with light brown yarn embroider the gills (they are long stitches over the cap's bottom) as in the final project. Sew the shoes to the base of the stem and sew the hands to each side of the stem (remember not to stuff the shoes nor the hands). With black yarn embroider the eyes.

Enjoy!
