Rnd 1: 6 single crochet stitches.

Rnd 2: 2 single crochet in each stitch (12 stitches).

Rnd 3: *1 single crochet, 2 single crochet in next stitch*, repeat from *to* 6 times (18 stitches).

Rnd 1: 6 single crochet stitches.

Hair (dark brown color):

The hair is crocheted directly over the head, from the head's bottom to the top, inserting the hook in each stitch from the head's surface. From row 1 to 10, everytime you finish a row, you'll have to turn around the work, in order to start the next row. From round 11 till the end, you'll have to crochet in spiral.

Each curl has 15 stitches and 15 single crochet stitches worked on them. The curls on the forehead have 8 chains and 8 single crochet stitches worked on them. All curls are separated with some single

crochet stitches. Count from the head's bottom 5 rows and start crocheting:

Row 1: *1 curl, 2 single crochet*, repeat from *to* 7 times and crochet 1 curl on the end of the row (22 stitches).

Row 4 to 10: *1 curl, 5 single crochet*, repeat from *to* 5 times and crochet 1 curl on the end of the row (36 stitches). Between rows, you can change the quantity of single crochet stitches that separate the curls, in order to make them fall down interlayer, giving the hair a much more natural look. From round 11 start crocheting in spiral:

Rnd 11 to 16: *1 curl, 5 single crochet*, repeat from *to*till the end of the round. Remember that the curls over the forehead have only 8 chains and 8 single crochet stitches worked on them.

From round 17 till the end: Crochet all the curls with 15 chains and 15 single crochet stitches. Begin decreasing the quantity of single crochet stitches between curls, from 5 to 2, progressively. Crochet as many rounds as you need to cover all the head's surface.
