Make 2. Into a double adjustable ring crochet:

Rnd 1: 6 single crochet stitches.

Rnd 2 to 16: Single crochet in each stitch.

Make a knot and cut the yarn with scissors. Leave them without stuffing. With the tapestry needle sew up and down the yarn around each stitch from last round and pull tightly to close.

Ending details

Thread a tapestry needle with grey yarn and with it embroider a chain stitches round on each tire all over the round where you've exchanged colors between grey and black.

Sew the front tires to both sides of the front part of the auto body (on round 10) and 12 rounds behind them, sew the back tires. Then, place the mudguards around the upper side of the tires and sew them with invisible stitches.

Then sew the front windshield (eyes) to the front side of the auto body, with its lower border before round 13 of the auto body. Then sew the windshield's border around its superior border.

Sew the back windshield to the back side of the auto body and the windows to each side.

Thread a tapestry needle with blue yarn and on each headlight embroider a round of chain stitches all over the round where you've exchanged colors between yellow and blue. Then, sew the headlights to the front side of the auto body and sew the bumpers as in the final Project.

Enjoy!
