## *Ending details:*

Once you've finished crocheting the head, thread a tapestry needle with dark-grey yarn and embroider a round of chain stitches all over the round where you've exchanged colors between beige and dark-grey yarn. Sew the eyes to the head, above the muzzle. With pink yarn embroider the nose on the top of the muzzle and with black yarn embroider the mouth on the side of the muzzle in a slant "V" shape. Cut some pieces of dark-grey yarn and fix them as hair on the top of the head. Then, with dark-grey yarn embroider to loops (one on each side of the head) for holding

the eyeglasses temples.

Sew the body's opening beneath the head.

To assemble the arms to the body follow this procedure: Thread a tapestry needle with dark-grey yarn. Make a stitch on the inner side of one arm and pass the needle through the body from side to side right under the union between the body and head. Do the same with the other arm. Pull tightly in order to get both arms joined to the body. Repeat this procedure a couple of times in order to keep this union firm. This sort of couture will allow movement of the arms, but if you prefer you can use plastic joints.

Sew the feet beneath the legs and the tail on the back of the body.

To assemble the eyeglasses, thread a tapestry needle with chocolate-brown yarn and sew together the glass lens with a couple of stitches. Then, wrap the yarn a couple of times around those stitches in order to make the eyeglasses bridge. On the glass lens sew the pupils and with White yarn embroider a point of light on them. Finally sew the temples to both sides of the eyeglasses.

With dark-yellow yarn and chain stitches embroider a semicircle on the front side of the safety helmet and then, in the middle of that semicircle sew the flashlight.

Sew the leaves to the top of the carrot (that's the wider part of the carrot). Cut some pieces of beige yarn and fix them as roots on the bottom of the carrot. Thread a tapestry needle with brown yarn and embroider some horizontal lines all around the carrot's surface.

To finish the lawn cut some light green yarn and dark green yarn and fix them in groups of 4 pieces in different places over the lawn's surface.

With yellow, orange and pink yarn embroider rococo flowers (single flowers and groups of three) in different places over the lawn surface. Each flower consists in 3 parallel french knots.

*Enjoy!*
